

Barrel up

Sure you love beer — and if your love is true, you might want to get to know your beer a little better. At a beer tasting session at Woodside Inn (Andheri), connoisseurs and fans can get lessons from beer sommelier Nikhil Agarwal. He'll take you through the history of beer, tell you how it is made and the types and styles, and disclose the 'cinnamon and sugar' trick for beer tasting. You get to taste six different international beers and know them intimately.
